

PARK HOTEL

BARCELONA

ARCHITECTURE, DESIGN AND COMFORT IN THE MOST EXCITING HAPPENING AREA OF BARCELONA

Park Hotel is a 3-star historic hotel located in one of the most emblematic quarters of Barcelona, el Born. The quarter where the art and the fashion have always been merged to, it is an area full of live, museums and wonderful gastronomy. The Born quarter is the area where the old town lives with the latest trends.

The building was built between 1950 and 1953 by the Architect Antoni de Moragas i Gallissà. It was one of the first buildings of the neoracionalism movement of postwar Europe. The interior design made by Eulalia Calaveras was done to the last detail, to make guests feel at home while in Barcelona.

At Park Hotel we work every day to improve and ameliorate the services for our guests.

RESTAURANT

10's

In the heart of the Born district, right where the ABaC Restaurant began its journey over ten years ago (now to be found in Avenida Tibidabo and currently holding 2 Michelin Stars) **10's** offers an informal and casual ambience with capacity for 60 guests. It distances itself from the stereotypical Spanish tapas bars with a fresh image

Offers tapas and side dishes true to the philosophy of ABaC; tradition and modernity in equal measure. Jordi Cruz defines them as "Uncomplicated creations, packed with flavour and impact. The idea is one of an orchestra where the excellent "patatas bravas" – always in their skins, or "calamares a la andaluza" play permanently and invite an exclusive ABaC guest star to play each week; such as the Cherry Ceviche or the Figs with Foie Gras. Generous portions, quality produce and inspired creativity are all offered on a plate at a good price."

To complete the experience there are two terraces and one reserved for 20 guests

The hotel offers a meeting rooms, from 2 to 50 people, with day light and views to Avenida Marqués de Argentera, equipped with the most modern technology.
